

May, 2009

Dear Students of the Summer Session:

On behalf of the staff of the Basilica of the Sacred Heart, I look forward to welcoming you to the University of Notre Dame for the summer of 2009. Campus Ministry, in collaboration with the students of the summer session, coordinates daily Morning and Evening Prayer and daily Eucharist, as well as Mass and Vespers on Sunday at the Basilica of the Sacred Heart. We are eager to have both new and returning students involved in the prayer of our community.

You may volunteer to help in many different ways. Assistance is needed with the following ministries at the Liturgy of the Hours:

Presiders Assistants Lectors Cantors

Assistance at weekend liturgies is needed with these ministries:

Thurifers Servers Ministers of Hospitality Choir

If you are interested in serving in one of the above-mentioned ministries, please complete the attached form or go to the online form through the Theology Department Web site. Because of the two-week and three-week course schedules, it will be especially helpful to have the dates when you plan to be at Notre Dame this summer.

The Basilica Collegium Choir is open to all Notre Dame undergraduate and graduate students who are on campus for the summer session. This choir rehearses on Thursdays from 6:00-7:30pm and at 8:30am each Sunday morning to prepare for the 10:00am Mass at the Basilica of the Sacred Heart. Rehearsals for the Basilica Collegium Choir take place in Coleman-Morse, Room 329. Please contact Dr. Andrew McShane if you have any questions (574-631-7800)

I look forward to seeing you in June.

Sincerely yours,

Rev. Peter D. Rocca, CSC
Rector
Basilica of the Sacred Heart
