DISSERTATION TOPIC AND RESEARCH PROJECTS

Origen's *Homilies on the Psalms: Translation and Commentary*, co-directed by John Cavadini and Brian Daley, SJ. Defended February, 2008. In addition to providing the first English translation of these important homilies, this study examines Origen's teaching on the soul's pedagogy, particularly in light of his earlier teaching found in *De principiis* and his later *Commentary on the Canticle*. The translation has been published by Catholic University of America Press as volume 146 in the *Fathers of the Church* series, June, 2023.

The following are all at various stages of progress:

A translation of Louis Bouyer's *L'Incarnation et L'Église-Corps du Christ dans la théologie de saint Athanase* with Introduction; contracted with Emmaus Academic (with copyright agreement with Cerf, Paris)

A translation of the works of Gregory of Elvira, for inclusion in the Fathers of the Church series, published by Catholic University of America Press

A translation of Louis Bouyer's *Le sens de la vie sacerdotale* with Introduction (with Maria McMahon)

A translation of Basil of Caesarea's *On Baptism*

A translation of Louis Bouyer's *Venez, Car Tout est Prêt.*
